

# PTEC subgroups

## Thematic groups

- **Biophysical measuring and modelling**
- **Valuation**  
(Fact sheet, Tallis&Polasky)
- **Policy**

## *Advisory and working groups*

- *Measurement and valuation of coastal and marine ecosystem services (AG)*
- *Biophysical models for measuring ecosystem services in watersheds (AG)*
- *SESYNC proposal: Guidance for the Economic Valuation of Ecosystem Services in alignment with the System of National Accounting (WG)*
- *Guidelines for valuation for accounting (WG)*

# Proposed projects moving forward

Valuation	Policy	Training
ESAforD	Policy analysis with NCA	Ecosystem accounting training modules
PTEC Valuation paper	Policy makers and NCA	(PTEC Valuation paper)
Valuation and accounting vs valuation for e.g. CBA	WAVES countries – what has worked and not? Institutional and policy settings	

# New projects

- Ecosystem Services Accounting for Development (EfD/SEPA/SIDA)
- Development of training material for ecosystem accounting
- Development of training material for water, forest and land
